Folsom Pro Rodeo In-Arena Fireworks to Continue With Precautions

Folsom Pro Rodeo fans will be treated to a patriotic in-arena fireworks display on July 3, 4 and 5, but the additional aerial skyrockets typically featured on July 4th, for the community, will not appear due to high fire danger.

Folsom Fire Chief Dan Haverty and Folsom Fire Marshal John Haberek have cautioned residents that the fire danger is the highest in a decade. Tightening regulations from the State Fire Marshal's Office has made hosting the display at the Dan Russell Rodeo Arena very challenging.

"The safety of the community during this extreme fire danger is of utmost importance to the chamber," said Joe Gagliardi, CEO of the Folsom Chamber of Commerce. "Our traditional in-arena fireworks will be displayed within the Dan Russell Rodeo Arena each night of the rodeo and we promise a first-class show for our patrons."

The Folsom Pro Rodeo is set for July 3, 4 & 5 at the Folsom Lions City Park. For tickets and information, see www.folsomprorodeo.com or call (916) 985-2698.
